

The Hale Herald

Easter News

This half term the children have all worked exceptionally hard across all subjects. In recent days they have all completed new assessments and this information will be shared with parents when we return after Easter.

This term has ended on a high note for the children with 2 events that I must thank parents for helping to organise and run alongside staff.

Thanks first go to the PTA who worked hard organising and running a fantastic Easter Disco and Easter raffle for the children. It is a very long time since the school has held an event such as this and it was thoroughly enjoyed by all. After the holidays we will share the total raised and details of any further PTA events. The children have made several requests for future events already!

Other thanks go to those parents who organised and led our Easter Service in St. Mary's Church yesterday. Termly church services have quickly become a highlight of the term's calendar and a lovely way to end the term altogether in a Church Collective Worship. I am sure many of you heard about "Betty" from the children and hopefully we will see her at future services! Being part of the Church Family is very important to us and we are fortunate to have such strong welcoming links.

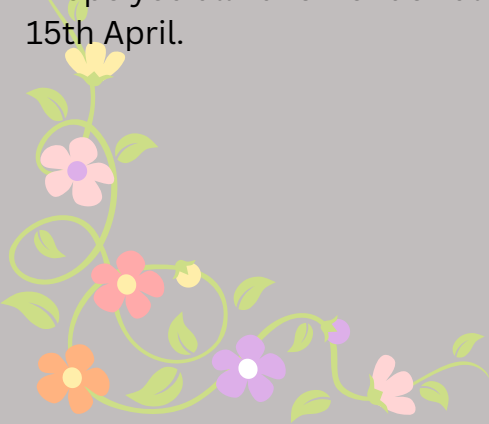

If you are buying additional uniform over the Easter break, please remember that although the children may wear red checked summer dresses (not playsuits) they are not a requirement, they may continue to wear the winter skirts or pinafores with short sleeved shirts. Sandals and jelly shoes are not suitable, and all children must continue to wear black school shoes.

As we return can parents ensure that all children bring a water bottle into school that is of a suitable size for the child and does not contain a large side handle. As the weather becomes warmer water bottles will be taken outside in the classroom storage trays during break and lunchtime. The latest trend of oversized bottles makes storage and transporting the water bottles altogether a challenge.

Thank you once again for your continued support. We have a lovely school with dedicated staff as well as wonderful children and their families.

I hope you all have wonderful Easter Break and I look forward to welcoming the children back on 15th April.

Mrs Emma Fenton

COMING SOON

In May we will taking the whole school over two days to the Eureka Science and Discovery Centre. Further details will follow after the Easter Break.

Colomendy

Our Year 6 children will be going on a residential trip to Colomendy from 17th until 19th June. Trips such as this provide the children with a unique experience away from parents and create amazing memories. I am grateful to those staff who have volunteered their time to accompany myself and the class on the trip!

Swimming

Year 2 and Year 5 will be going Swimming on a Tuesday afternoon until half term. Further details have been sent out to the classes.

Easter Message

Easter morning bright and fair
Tells me of God's loving care.
Flowers that were gone from view,
Now awakening, bloom anew.

Though God's face I do not see,
I will trust His care for me.
