

Hale Church of England Primary School

Welcome and Introductions

Key Information and Forms

Vision and Values

Our vision is founded on Matthew 5: 14-16

“You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.” (Matthew 5:14-16)

We aspire to keep community at the heart of School, where every member knows that they belong to our family.

God enables us to grow together in love and learning. We strive for academic excellence through a respect for learning and develop resilience to face all challenges. Guided by our faith, we develop responsibility to ourselves, others and the world.

Our Christian Values underpin all that we do.

Friendship

Hope

Peace

Thankfulness

Truthfulness

Courage

Our school aims to serve its community by providing an education of the highest quality within the context of Christian belief and practice. It encourages an understanding of meaning and significance of faith and promotes Christian Values through the curriculum and experiences it offers its pupils.

Our School Rules

The Hale Curriculum

In designing our curriculum, we spent time recognising the specific/unique contextual needs of our school and our children. Therefore, our curriculum design initially aims to address seven key contextual aspects.

They are to:

- **To encourage our children to be aspirational so that they reach their true potential in a safe and secure environment.**
- **For all of our pupils to acquire and develop a deepening knowledge and understanding of global Christianity, alongside the other principal religions that are represented throughout our multi-cultural world.**
- **Children will develop their language, vocabulary and communication skills.**
- **Develop our children's 'cultural capital' by providing a wide range of experiences and opportunities.**
- **Develop children's curiosity and creativity and problem solving skills.**
- **Ensure children have a strong understanding of, and exposure to, diversity and British Values**
- **Foster and promote a love a reading.**

Curriculum Enhancements

EYFS

Areas of Learning

**Personal, social
and emotional
development**

**Communication
and
language**

**Physical
development**

Literacy

**Understanding
the world**

Mathematics

**Expressive arts
and design**

EYFS Outdoors

EYFS Social Snack and Lunchtime

Reading and Homework

How will you be kept informed about your child's progress?

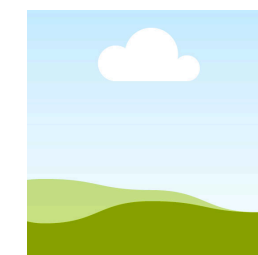

SeeSaw
