Our Head Girl Hannah has risen to the challenge we set her to have some input into this newsletter. Click on the link emailed for Hannah's fantastic contribution for the children to enjoy.
Well done Hannah!

This week we have continued to be very impressed with the level of engagement from the children and the high quality of work that has been shared with us. Feedback from parents has been very positive so far! Your views are important and will help us to continue to develop the home learning offer.

Unfortunately this week we have had a number of positive cases, both staff and children within one of the school bubbles. As a consequence of this we had to postpone the start of our zoom form times. We have now adapted our plans and risk assessments to enable the sessions to happen fully remotely if needed. The timetable for next week has been confirmed please see below.

The numbers of children booked in for next week is higher than what is currently the national average please ensure that you have only booked a place for when you are working and have no alternative. Once again thank you to those families who continue to use us for only the minimum days that they require.

We are both parents and understand the pressure that is on families to engage with home learning and fulfil any work commitments. We can only ask that you try your best and to follow to a schedule that works for your family. School staff are all available to offer support via phone and email to any family that needs it, please just ask.

We hope all of our Hale CE families have a restful and safe weekend.

Mrs Fenton and Mr Williams

zoom

- Reception - Thursday 11am
- Year 1 - Thursday 9.30am
- Year 2 - Thursday 1pm
- Year 3 - Thursday 2pm
- Year 4 - Friday 10am
- Year 5 - Friday 11am
- Year 6 - Tuesday 10am

(Thursday and Friday Tutor sessions times to be confirmed Monday)

If your child is in school on the day of their form time please send a message to their teacher that you give permission for them to take part.

Class teachers are daily sharing examples of the work completed both at home and in school please take a look!

STARS OF THE WEEK

Reception

Arty and Ella Mc

Year 1

Iris and Charlotte T

Year 2

Myles and Erin

Year 3

Sami and Ralph

Year 4

Annie and Michael

Year 5

Joe B and Bethany

Year 6

Andi and Lyra

Well done!

CLASS MESSAGES

Some super learning has taken place this week **Reception**. Your teachers are very proud of you and they are missing you all. Keep smiling and keep being amazing!

It's been another busy week of home learning in **Year 1** and the children have continued to impress us with their fantastic work. They've been producing great writing and we can see that they are trying really hard to apply what they've been learning in their phonics. They have also been learning about vertebrates and invertebrates as part of our animal topic. Well done year 1.

Year 2 have been so busy this week getting to grips with some new art techniques. Wonderful work has also been completed both at home and in school based around multiplication and writing diary entries. There have even been some suggestions as to how to care for a pet dragon. We think maybe that would be a tricky pet to have, don't you?

We have had a great week of home learning in **Year 3** with more people engaging and more lovely work being submitted. There has been some impressive writing throughout the week, using the perfect tense. More people have tackled the Maths challenges, which is also brilliant. The children who have been in school have worked equally hard so a huge well done to all of Year 3 and their parents!

Well done to all the children in **Year 4!** I am so impressed by the amount of time and effort that has gone into the home learning this week. I have thoroughly enjoyed reading all the fabulous work that has been shared with me and I look forward to receiving more next week. Keep up the hard work!

This week **Year 5** have continued to work hard both at home and in school. They have begun reading their new book Arthur and the golden rope and have answered lots of questions about the text so far. In maths, we have continued our work on multiplication, now multiplying 4-digits by 2-digits. I have been very impressed by their artistic skills as they produced some fantastic sketches!

Another fantastic week for **Year 6**. You've continued to work really hard and I've been very impressed by your responses to our daily activities. Your graffiti tags were amazing and I've loved seeing the other creative things you've been doing with your time. Keep up the great work!

Competition Time Reminder

Don't miss out on an opportunity to win a **LAPTOP!**

Please take a photograph of your child's entry and upload to seesaw by the end of **Thursday**

Good luck everyone!
