

28TH JUNE 2021

THE HALE HERALD

THE NEWSLETTER FOR HALE CE PRIMARY SCHOOL

Summer Events Update

On Friday 18th June we received new guidance from Halton's Director of Public Health regarding normal school summer events for example sports days. After receiving this guidance, we have had to make significant changes to our plans, we had planned to hold a series of class bubble events that parents in groups of up to 30 could attend, however this is no longer possible.

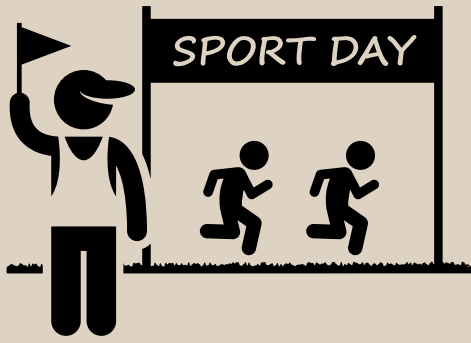

School trips have had to be cancelled or postponed for all year groups and events will now happen without any spectators or an audience. We do however intend to take pictures and where possible short videos that we will upload to SeeSaw or Tapestry. Please ensure that we have permission to share your child's image with the class group on SeeSaw or Tapestry. There will always be a small number of children that it is not possible to widely share their image but we will work around this.

In the Autumn term when hopefully restrictions have fully lifted we intend to make up for the missed opportunities for parental involvement in school life!

Polite Reminder - Please check the school's uniform guidelines before purchasing your child's uniform including PE kits for next school year. Trainers are not acceptable school shoes. During the course of next year we will be looking at making just a few changes to some aspects of the uniform although this will not effect the policy until September 2022.

Sports Day

This year the children will take part in traditional sports day races in their class bubbles on 14th July weather permitting. On this day the children must come into school wearing their PE kit - a white T shirt, red or black shorts and trainers.

If the weather is looking good they will also need a sun hat and sun cream applied before they come in.

We will aim to share any pictures and videos by the end of the following day.

Whole School Picnic

On Friday 16th we will be having a whole school picnic day. Picnic bags will need to be ordered in advance via the school office (a letter will follow nearer the time) alternatively the children may bring their own lunch to eat outside.

After the picnic lunch weather permitting the children will have the opportunity to play a range of traditional summer games in their bubbles they do not need to wear uniform on this day.

Year 6 Leavers Service

Over the next few weeks our Year 6 children will be creating a leavers film. If restrictions lift in time for the 20th July 2 adults per child will be invited into school to watch the film with the children at 1.30pm.

If restrictions do not fully lift we will send the film out for you to watch at home with your child.

Classes for September

On Tuesday 7th and Wednesday 8th July the children will be spending some time getting to know their new class teachers and classrooms as part of our transition plans. These plans will include lots of time outside to ensure that we are adhering to our in school Covid 19 measures.

Full staffing details for September will be shared with parents on the 7th July.

Year 6 Festival Day

Thursday 15th July will be an end of primary school fun day for our Year 6 children. This day will have a festival theme and the children are invited to dress for a festival (although sensible footwear is required). The day will be based on the field utilising our forest school pod. Red, yellow, blue and green are the colours we are using for the day, if anyone is able to donate any balloons, bunting or other party supplies please contact Mrs. Fenton.

We hope to give the Year 6 children a day to remember!
