Children will be picked up from school at 9:30am Monday and arrive

We are excited to announce that this year's residential will be in Robin
Wood in Wales. The residential involves a 3 day (2 nights) trip including a
range of activities that promote team work and resilience.

Our residential trips have always been a huge success and something our
pupils thoroughly enjoy. It is a fantastic way to start their final year at Hale
CE Primary School and create memories that they will have forever.

You can sign up via school spider and can pay for the residential in
installments.

We have tried to book it well in advance to support parents with the costs.
